- I am familiar with website building platforms such as Squarespace and Weebly.
- I am proficient at organizing and planning projects.
- I am self-motivated and work well with teams.
- I am sociable.
- I am a creative problem-solver and handle myself professionally in stressful situations.

Experience

APPNEXUS / INTERN

MAY 2018 - SEPTEMBER 2018, PORTLAND OR

Software Developer

- Contributed daily to the [open-source library](#) that AppNexus sponsors. Contributions are made in JavaScript, React, CSS, and Less.

GEORGE FOX UNIVERSITY NEWSPAPER / EMPLOYEE

AUGUST 2017 - PRESENT, NEWBERG OR

Social Media Manager, Website Manager

Website: www.gfucrescent.com

- Upon being hired, I proposed that a new website for the newspaper should be built to replace the older, more rudimentary one. I then built the website and update it weekly with new articles and information.
- I manage all social media accounts (Twitter, Instagram, Facebook).
- I manage email inquiries through the website and social media platforms.
